

WELCOME

Clients and Friends,

This is where we're supposed to tell you about our great products and services so you are confident you made the right decision when you became a client.

However, we don't go to work every morning just to sell insurance. We want to make a difference.

It starts on the inside. Our goal for Preferred Insurance Center is to create a team that is passionate, energetic and innovative. We want to be a team that cares more about our teammates' success than our own. We want to celebrate our successes, carry each other through our challenges and challenge each other to be better than we ever imagined.

Our motto is "Making A Difference Is Our Business," and we want that motto to be real. We want to raise money for charities, volunteer in our communities and touch lives of people all around us. We want Preferred Insurance Center to be a force for good in our little corner of the world.

We aren't there yet completely, and we'll never be perfect. However, we've come a long way. We don't believe you'll find a more passionate and inspired insurance agency anywhere. We don't give to charities so we can sell more insurance; we sell insurance so we can give more to charities.

John Wesley once said "Catch on fire with enthusiasm and people will come for miles to watch you burn." We hope you see the fire in Preferred Insurance Center and become apart of it.

God Bless,
Dan Muhlenkamp & Roger Rindler
Partners, Preferred Insurance Center

P.S. Oh, and we do really have awesome products and fantastic service!
